Read the given passage carefully and answer the questions from question number (08-14) given below.

Passage II (Democracy)

The people had no voice in the affairs of the state. This form of the government's is called "monarchy''. As time passed, some wise men started thinking. They said that all men are equal. Why should one men have the power to rule over others. The country belongs to the people who live in it. They pay taxes and fight for it. All of them have equal duties and equal rights. They should have equal rights to rule the country. But how can all men rule? They can do so by electing a certain number of persons from among themselves for this purpose. This is called "election". The persons elected by the people are the people's representatives. These representatives run the government of the country. If they rule according to the wishes of the people, the people respect them. This system of government is called "democracy". Democracy is the government of the people, for the people and by the people.
